

MONTGOMERY COMMUNITY MEDIA

BOARD OF DIRECTORS

MEDIA FOR ALL

Montgomery Community Media (MCM) is your hometown media organization! We are the only independent, nonprofit organization providing access to public media (high-quality news, information, arts, education, and local civic engagement) directly to Montgomery County's over one million residents as well as non-profit organizations, associations, and businesses.

MCM is public discourse, participatory media and democracy in action! We empower individuals and communities to express diverse viewpoints and we help amplify their voices.

Board Commitment

Our volunteer board is made up of diverse leaders from all sectors of Montgomery County. MCM relies on its dynamic board members to lend their time and talents to the mission through advocacy, fundraising support and active engagement.

Board members serve a two year renewable term and participate on at least one committee such as Governance, Finance, Development, Audit, Nominating and Compensation.

Board members demonstrate commitment to our mission with an annual personal contribution of a minimum of \$1,000 or raise this amount per year.

MCM board members are expected to actively engage in fulfilling our mission and help grow the organization by attending meetings (6 per year), participating in events and embracing MCM's purpose and vision.

MCM Services

Public Access Platforms

You can find us on channels 19 and 21 on RCN, Verizon and Comcast in Montgomery County. MCM also offers live streaming and hyper-local web content at mymcmedia.org and is on all social media platforms. Check out @mymcmedia!

Classes & Media Academy

MCM offers interactive courses that helps students of all ages build media skills and prepares them to become digital content creators.

Production Services

Our award-winning team of industry professionals creates high-quality and compelling content for Montgomery County non-profits, agencies, and businesses.
